Mrs. Lois Whittington

Dean Honored by Students

Because of her understanding and concern for all those who have come to her with their problems, we dedicate the 1958 Colonist to Mrs. Lois Whittington. Her completely unbiased opinion in all matters is admired by all.

The responsibilities of Vice Principal and Dean of Girls could not be handled by many with the same rapport. Mrs. Lois Whittington has done an excellent job in the 20 years she has served in this capacity. Before being appointed to this position, she taught Spanish, and became the head of the language department.

Before assuming her responsibilities at Anaheim, she attended the University of California at Berkeley, she graduated magna cum laude and therefore is a member of Phi Beta Kappa. She did graduate work and received her master's degree in history.

After finishing her formal education she returned to her Alma Mater, Anaheim Union High School, where she had graduated as valedictorian.

For her many years of dedicated service, we honor her. Long will we remember the helping hand that was given by Mrs. Lois Whittington.

BOOK ONE

"Look! It is finished!" Unusual? Yes! Rarely are Anaheim's three top administrators found as they are pictured on the opposite page. Members of the student government, represented here by Bob Hatfield, student body president, learn as they lead their fellow students. Through the student government, Colonists may participate in and learn democratic procedures. High school students now, will be the leaders of our "Nation of Tomorrow," and here they may gain valuable experience under the directorship of the Colonist administration. L. Frank Kellogg, principal, is pictured representing the AUHS administrators. Those who teach should realize the importance their jobs play in training the youth of today, and their aim is to start the future adults in the right direction. Direction is important! Administrators receive direction from Paul W. Cook Anaheim's secondary superintendent. Mr. Cook is the coordinator of the secondary system for the Board of Trustees, which in turn is elected by the people. An administrator, as a student or as an educator, is important, and to make a success it requires hard work and leadership ability. . . .

CONGRATULATIONS

TO THE CLASS OF 1958

You have earned a high school diploma which will open many opportunities for you to advance in life. We all need to continue learning if we are to be successful and happy people who make a contribution to this great republic in which we are living.

By all means, attend a school or college that will enable you to develop your native abilities to their limit. Even if you find it necessary to begin earning a living, take advantage of the many adult education programs that are available throughout this country. Age sets no limits on our ambitions or abilities to learn. Both men and women with families have demonstrated that it is possible to earn a college degree, and even do graduate work, in the evening classes that are available in all of our metropolitan areas.

You have finished, yet you are beginning. I hope you will continue learning and contributing for the rest of your lives.

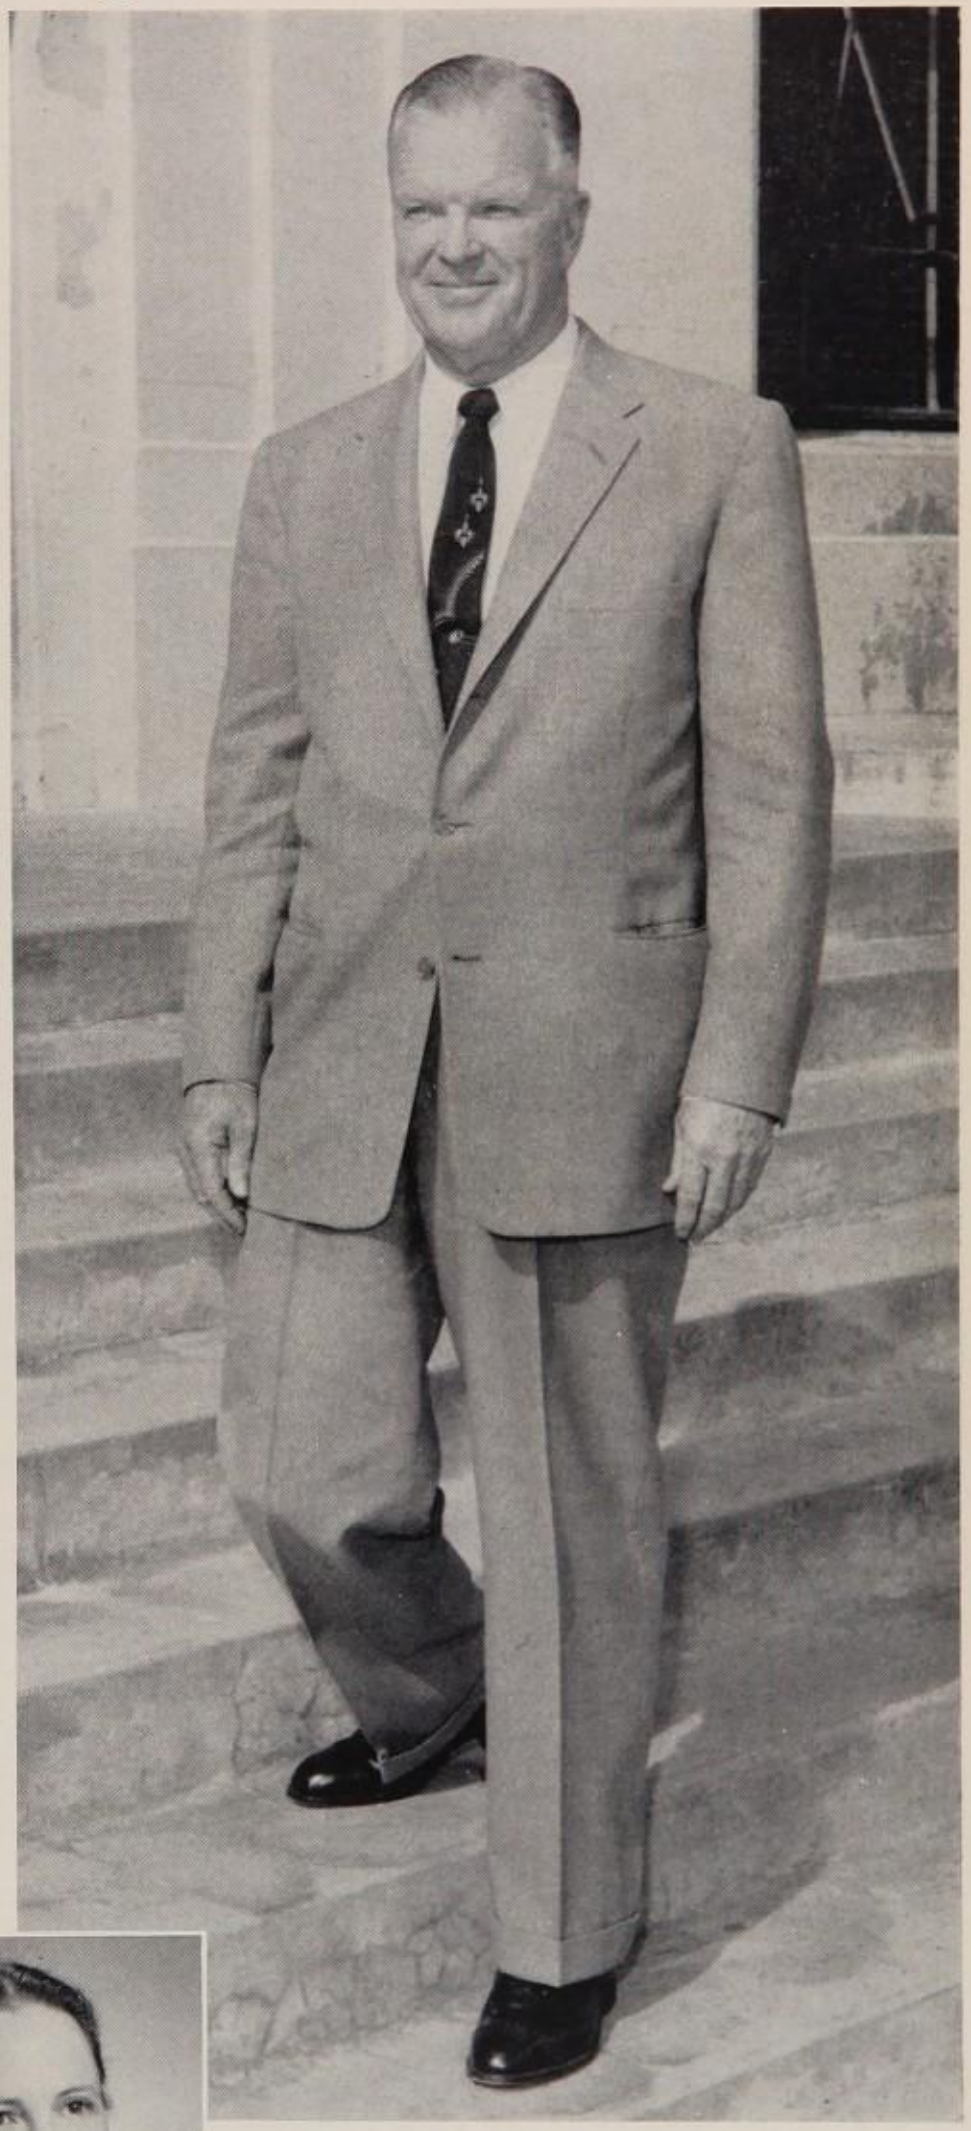
ANAHEIM UNION HIGH SCHOOL



History making events have spotlighted attention this year, on the education and aspirations of high school young people. The "Sputnik," the first man-made satelite, has focused attention on the need for technical experts in the fields of mathematics and science, and for the need for a better understanding of scientific knowledge by all of American Youth.

In a larger sense the need is not alone in the comprehension of pure science. More importantly, it is to be found in the development of moral and spiritual values that will enable mankind to live peacefully without war.

It is my hope that all of you will recognize these needs, that you will appreciate the important part your education plays in the drama of life unfolding before you, and, that all of you will aspire to grow spiritually and intellectually so that you will be able to make the right decisions to safeguard our civilization in the years to come.

VICE PRINCIPAL AND DEAN OF GIRLS

Known by many as the most active woman on campus is vice principal and dean of girls, Mrs. Lois Whittington.

Many times her day starts with an early morning call from a teacher who will be absent and for whom she must obtain a substitute. As her day progresses, she may be scheduled to visit classrooms, help the Girls' League hospitality committee, or act as adviser for the Dress Board.

In addition she is in charge of the registration and programming of students for the coming year; in this capacity she comes into direct contact with our most vital problem—an enrollment which is growing by leaps and bounds.

Through untiring, unselfish efforts, she has given herself whole-heartedly to the betterment of our school and students.

RICHARD RYAN

VICE PRINCIPAL AND DEAN OF BOYS

Mr. Richard Ryan, at the telephone, is in the midst of one of his busy days. As dean of boys and vice principal, his tasks are many and they require his full capabilities.

Perhaps his major responsibility is student conduct, and in conjunction with this Mr. Ryan is the adviser for student court. His many divergent duties include being in charge of the chaperoning of the dances, assigning all faculty extra-curricular activities, being adviser for the Colonist Club, and taking charge of the eligibility of athletes.

This year our new Civil Defense program has given Mr. Ryan an additional job—namely, the responsibility of being the chairman of this program.

Always fair and congenial, his enthusiasm and hard work have had a tremendous effect on our student body.

BOARD OF TRUSTEES

ANAHEIM UNION HIGH SCHOOL DISTRICT

Chosen by the citizens of the Anaheim Union High School District, this Board of Trustees has for the past year directed the education of the youth in this ever-growing community.

Volunteering for these jobs, the board members donate their time to the district without material compensation.

At their meetings every second and fourth Thursday, these leaders have planned and guided the activities and functions for the five secondary school campuses.

Although the needs of Anaheim High are not their only concern, the Board has given us much of their time and consideration. They are directly responsible for the many improvements on our campus, and they also approve the employment of all personnel.

The Board of Trustees has not only met our material needs, but it has also given its enthusiastic support to our administrators, faculty, and student body.

They have sincerely strived to provide new and better educational facilities for the benefit and welfare of the students and community.

Our Active Student Leaders . . .

BOB HATFIELD

STUDENT BODY PRESIDENT

Elected to the top position on campus was Bob Hatfield. As Student Body President for 1957-58, he was the leader at school and Anaheim High's representative to the community.

The positions he held in earlier school years laid the format for his understanding of student administrative duties. Bob was Student Body President while he was at Fremont Junior High School and upon entering Anaheim, he was elected to the vice presidential position for the sophomore class.

From his participation in athletics he learned the sportsmanship so essential in all phases of life. He was captain for the C football team and co-captain for the C basketball team in his sophomore year. This year, as a senior, he was a member of the varsity football team.

Though Bob was active in many sports, his first love was baseball. As a two-year participant on the varsity baseball squad he made a fine showing in the outfield.

His talent for teamwork enabled him to lead the Cabinet and in turn the school through a successful year.

"Will the meeting please come to order? 'Counsin' Kay, will you read the minutes?" Such was the beginning of many Monday morning meetings of the 1957-58 Student Cabinet. Youthful energy coupled with ever-ready wit made short work of the tasks presented to this governing body.

A September trip to Camp Osceola to attend a Leadership Training Conference first brought this group together. There they shared ideas, learned from the experiences of other student administrators, mapped out a rough draft for the activities of the coming year, and got to know one another better.

Once back at school their plans rapidly became realities.

The smooth functioning of the Cabinet was temporarily interrupted when Shirley Boutcher, Secretary of Treasury, moved to Los Angeles. A special election was held and her vacated position was filled by Charlene Schutz.

By combining their talents this group not only conducted a successful year at Anaheim High but they also gained invaluable knowledge on working together.

Active? You said it! The 1957-58 Student Council can rightfully boast of a year of noteworthy accomplishments.

Along with their usual legislative duties, the Council found time to be the main impetus for the Foreign Exchange Student Program. They sponsored the Beachcomber's Ball—a dance and fun night for which the participants came dressed in their craziest attire. All proceeds from the Ball went toward the Foreign Exchange Program.

and Court's Action

Chief Justice William Brooks wielded the gavel that brought the judiciary branch of our government to order. Meeting every morning during third period, the Student Court handled many of the campus misconduct problems.

This year's new method of discipline—the citation system—lightened the duties of the Court. Their concern was primarily channeled toward the unfavorable activities reported to them by the Safety and Welfare Committee.

Their Faithful, Constant Labors . . .

Shown above are the maintenance men who kept our campus in top condition. Maintaining our surroundings requires the labors of gardeners, electricians, painters, carpenters, and many more. The cooperation of the Anaheim students has helped them to more successfully complete their jobs.

Also an integral part of our school life are the 33 buses which transport approximately 35 per cent of our students to and from school. Along with the regular morning and afternoon runs, these buses are also used for many school activity trips. Pictured below are the bus drivers who cheerfully chauffeur the always-active students.

Gave Anaheim A New Look

New chairs, new curtains, new paint job, and even a whole new food dispensary unit have been added this year to more effectively serve our ever-growing student body. Along with these improvements the cafeteria received a mural from the art department depicting Anaheim campus life designed by Jim Hopkins, a talented Anaheim senior. These additions have created more pleasant surroundings in which the cafeteria has continued to serve well-balanced lunches and snacks for recreation.

Wimpy's Junior was added this year to serve our enlarged student population. It served one-third more students than last year's Wimpy's.

Something New—Now Essential

Two 1957-58 additions, which are already permanent elements in Anaheim High life, are the Student Book Store and the Inner-Club Council.

The Book Store is financed entirely by and all profits go into the Student Body Fund. Seven girls representing all three classes, make up its operating personnel. The Student Store offers most of the necessary school supplies for the convenience of the Student Body at large.

Also created this year was the Inner-Club Council. Organized by Student Body Vice President Ann Story, its members—who are the presidents of all campus clubs—have endeavored to establish uniform club constitutions and a harmonious relationship between the clubs.

"THE CAMPUS YEAR IN FOCUS"

DRAFT BOOK TWO

"Hi ! What have you been doing all day?" is a statement that has probably been heard in the patio everyday since it was erected. Everyone in the student body, seniors, juniors, and sophomores, has been or will be a part of the scene on the opposite page. In the patio, joys, sorrows, and problems are told to sympathetic listeners. Whether it be the problem of winning tonight's game or asking that favorite girl for a special date, they are still big problems. A pep rally informally started in the patio Friday to cheer the local team on to victory is a living part of the school life. Monday coming back to school with light, gay hearts over a victory or heavy and saddened over a hard-fought loss are memories not to be forgotten. The patio is a scene for many things, not only fun, but serious. There are two girls now discussing how they can bring up their grades or how to tell their dad that they scratched a fender. All these things are memories now as we leave our Alma Mater, some of us never to return. Never again will we feel that same sympathy when we are downhearted nor will we feel the joy when we have succeeded . . . . . .

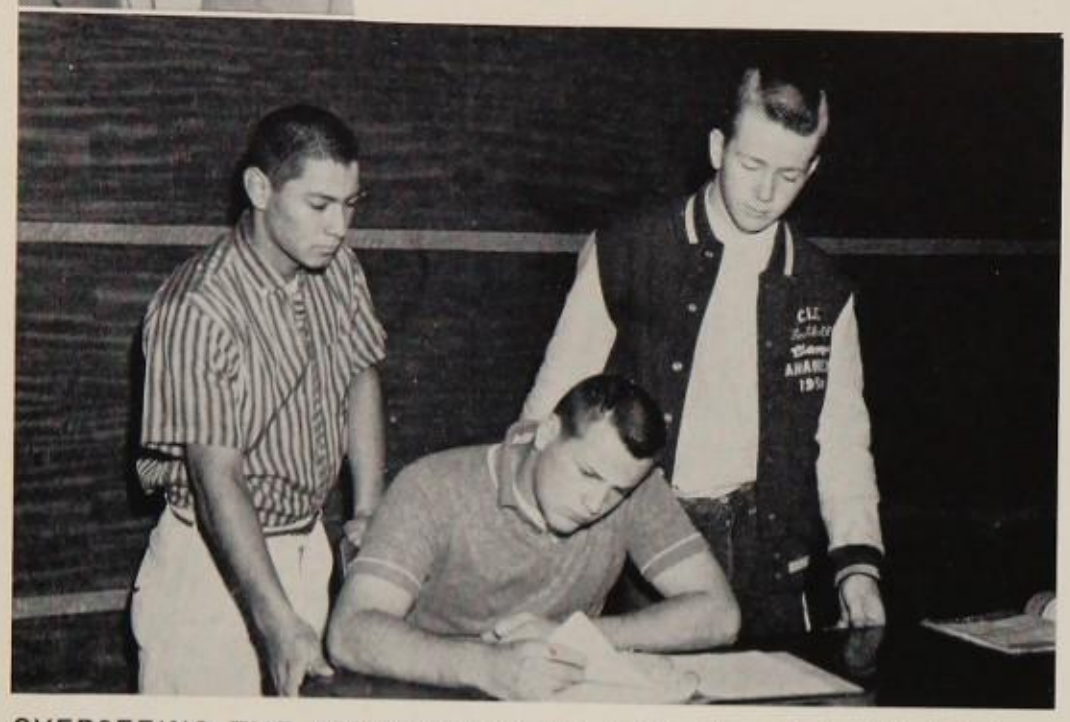
Seniors Cherish Memories



OVERSEEING THE ACTIVITIES of the senior class is David Salisbury, class adviser, who has helped to make this year successful for the seniors. Aided by class officers, left to right, Jim Rodarte, treasurer; Marshall Shirk, president; Gary Thornton, vice president; and Norby Keolanui, secretary, who is not shown, the senior executive committee planned the year's events.

Combining the new and the old has been the key to the success of the seniors of 1958.

With the aid of their new adviser, David Salisbury, the senior class officers, and members of the senior executive committee, the seniors have successfully handled all their class activities.

Not only was this class the first to graduate from Anaheim as a three-year high school, the seniors also had the privilege of upholding a new tradition, that of the Senior Circle.

Upon their graduation, the seniors will assume the responsibilities of a rapidly changing world and will depend heavily upon the foundations instilled in them by their teachers, the wiser of the older generation.

They Led the Junior Class in '58

JUNIORS

CLASS OF '59

Starting the school year off with a bang, the junior officers and their adviser, Fred Jeter, met and began making plans concerning future activities.

One of the biggest events planned by the junior class of '59, was the gala Junior-Senior Prom. The special event was held on May 23, in the Wilshire Room of the exquisite Statler Hotel in Los Angeles. The theme, Roman Holiday, blended in appropriately with the huge white pillars.

With the aid of their adviser, the juniors were able to order senior rings early in the year. They also orderd junior sweaters an old tradition which they have re-established.

SOPHOMORES

CLASS OF '60

Since 1958 was the year in which the second high schooi of Anaheim was opened, this sophomore class was the first to be divided. Although the size of the class was smaller than in the last few years, the part which it played in the success of the school year was just as great.

Beginning the year was the "Big and Little Sister Party" when the senior girls welcomed the new girls. Throughout the year the sophomore officers led their class in many outstanding achievements in athletics and extra-curricular activities.

Leading and working with the sophomore officers this year was their capable adviser, John Tonti.

"THE CAMPUS YEAR IN FOCUS"

BOOK THREE

"Wow ! Let's buy a piece of cake !" Anaheim's organizations frequently hold sales supporting their many worthy projects. Numerous graduates will be thankful for the help they have received through scholarships, and as a student progresses from his sophomore to his senior year, he will look forward to having the privilege of using the Senior Circle. These are only a few of the projects which have taken place on the Colonist campus this year. With over 30 active organizations on the campus, the students are kept full of cake, candy, cookies, and even popcorn balls. Pictured on the opposite page is a cake sale that represents the many sales in which most of us have taken part, whether it be buying or selling. Those who are participating in this simulated cake sale are presidents of popular clubs on campus. Organizations help to round out an education as well as add fun and experiences to each student's list of memories. Through these organizations, members can learn how to be leaders or followers. Learning how to get along with others is an important aim which can be fulfilled through the fellowship that can be found in endeavors . .

A Club for Every Girl and

Every girl at AU is automatically a member of Girls' League, thus giving all the girls an opportunity to belong to one organization. Besides the officers, two girls are elected from each class during both semesters to represent all the girls.

To start the year off, the annual Big and Little Sister Party was given to welcome the sophomore girls and girls new to the school. During the year Girls' League sponsored many events, including the Homecoming Dance and a Get-Acquainted-Tea. As in years past the competition assemblies between the classes were given, a fashion show was presented, and a Vocations Day was held.

As a service to the school and community Girls' League sponsored a Red Cross Project and helped with a Salvation Army Drive.

Attending a conference at Tucson, Arizona, were three members of the cabinet and both advisers. The girls who went were Gwen Halvorsen, Jane Roland, and Lou Ann Peterson. Advisers were Mrs. Norma Elliott and Mrs. Joan Fee.

Boy Can Be Found at AUHS . . .

Every male student at AU is a member of the Colonist Club. In this way every boy on campus has the chance to belong to at least one club. Adviser for the club is Richard Ryan, dean or boys at Anaheim. The purpose of this club is to provide activities that are of interest to the boys.

This year the club had only four or five meetings planned. At their first meeting, the boys invited the girls to see short subject films on football. Highlighting the year was the assembly featuring a special gymnastic exhibition put on for the boys by the UCLA Gymnettes and Steve Mitakis, Anaheim coach.

Another meeting held this year presented weight lifting as entertainment. The demonstration was furnished by Pacific Coast Gyms.

Representatives of the armed services were featured at one meeting. The representatives spoke on the subject of the future in planning a military career.

Music Backers . . .

Music is the main thought which confronts the Mozart Club members. Only students possessing a greater than average interest in music and enrolled in a music class can become a part of Anaheim's only music club.

Advisers for this active group were Jack Paris and Bill Cook. The purpose of the club is to promote appreciation and enjoyment of music among students while working together as a club.

Started as a new tradition this year was the Mozart Club initiation of new members. It was held at school and in a barn that night.

Instead of having the annual "Top of the Pops," the Mozart Club sponsored a musical program in the spring. This program was similar to past years in that it was written, directed, and produced by the club members.

A Soph Girl Club

New on campus, the Servettes, a sophomore service club, have worked hard to organize themselves this year.

This club is dedicated to the purpose of improving relations between the sophomore class and the upper classes and to promote various activities that will be of service to the school.

During the school year of 1957-1958, the club's main activity was raising money for the foreign exchange fund. This was accomplished by the members by having cookie and cake sales. During the foreign exchange assembly, the money was presented to the school.

Servettes had a highly successful year under the guidance and advisership of Donna Noble and Mary Rakoske.

Coeds Work Together for Others . . .

This year marks one of the best years ever for the Colonial Coeds, a service club which girls are voted into. Two new advisers this year were Betty Lancaster and Dorris Lemp.

At the first of the year, Coeds sold football programs at the home games, held cookie sales, gave a Christmas party at the Orange County Hospital, gave an Easter party, and served at the annual football banquet.

For social activities this year the girls had their annual initiation breakfast in October, and membership tea in May. Their annual outing consisted of a trip to Hollywood where they saw "Around the World in Eighty Days" at the Carthy Circle.

As a gift to the school, Coeds bought a Hi-Fi system for the boys' gym to be used for the dances.

Topping off the year was the presentation or the senior circle by the girls. The senior circle is located on the lawn between the music building and the auditorium. Only seniors are allowed in the circle, which was established to build up more tradition at AU.

Formed at Anaheim High this year was a new branch of the Key Club. The AU Key Club, under the advisership of John Tonti, is a part of the California-Nevada-Hawaii District of the Key Club International.

Fifteen seniors, 10 juniors, and five sophomores were chosen from Anaheim to be the charter members.

Once a week a dinner was held by the Kiwanis Club. Two different members from Anaheim attended each week.

Playing host at an inter-club meeting for the AU Key Clubbers was the Fullerton High School Key Club. At the luncheon, Superintendent Mann of the Fullerton District gave a talk about teaching as a profession.

Activities of the new club included a car wash to raise money to start a treasury; backing of a Civil Defense program; and giving canned goods to an organization to be used in the best way it could.

Topping off the year's activities for the Key Club was the sponsoring of a basketball game between the Harlem Clowns and the Faculty All Stars.

Under the direction of Mrs. Faye Schulz, the Usherettes have now completed their eighth year of service to the school and community.

At the beginning of the year, a get-acquainted-tea was held at which time the new members were welcomed into the club. Membership in the Usherettes is acquired only by application. A tea was held in the spring for the applicants.

For uniforms this year, the girls chose aqua sheath dresses.

This year the girls ushered at the home football games, the senior play, the two fifth grade concerts, symphony concerts, baccalaureate, and graduation.

Other activities sponsored by the club this year were selling programs at all the home football games, serving at PTA dinners, and helping a needy family during the Christmas season. The girls also had dinner and attended a play in Pasadena.

To complete their highly enjoyable year, the old members were hosts to the new members and new officers at their annual welcoming tea.

Dora Gene Golder and Marie Keeler were the sponsors of the Sub Debs these last two semesters.

Pupils Taking Spanish . . .

Corresponding with students in Southern and Central American countries was one activity which made being a member of the Conquistadors, or the Spanish Club so appealing. Recordings were also made of members voices and sent to their pen pals.

This year the club held a Christmas party in the Spanish style. The center of activity at the party was the breaking of a pinata.

New adviser for the club the last two semesters was James D. Edwards. Besides having a new adviser, the name of the club, Conquistadors, is also new.

Membership in the Conquistadors may be gained by a grade of "A" in first year Spanish, a grade of "B" in second year Spanish, or be a student in third year Spanish.

Press Club consists of the annual staff members and the journalism students having either an "A" or "B" average in journalism and is under the sponsorship of Larry Quille. The purpose of the club is to further interest and enthusiasm in writing for the paper and annual.

Among the many journalism conferences attended by the students was a yearbook conference held at Orange Coast College. Discussions were held on photography, artwork, and copy. These meetings proved very helpful to the producing of better annuals and newspapers. After the discussions, awards were presented for the best sports section, best photography, best artwork, best theme, most improved book, and best copy. Something new has happened to the AU science club this year. Instead of changing the name of the club so that it would include chemistry and biology students, the club was divided into two separate groups.

One club is for physical science students, Gamma Pi, while the other is for biology science students, Beta Gamma.

Beta Gamma gives students the opportunity to learn about science by direct observation of nature. This was accomplished by the many field trips taken to near-by park areas.

With the able leadership of Kemuel Anderson, Beta Gamma had an exceptionally successful year.

"We need pep, pep, and more pep" seemed to be the slogan under which the Pep Committee worked.

First and a very important activity of the year was the formation of the committee. The 'sign up campaign,' as it was called, was very effective in recruiting new members.

Pep rallys and assemblies were held to promote school spirit. Multi-color posters with alliterated slogans were posted throughout the campus. Skits showing the Colonists' ability in sports were given during the assemblies.

Special emphasis was put on the traditional Anaheim-Fullerton football game. A pledge to "Beat Fullerton" was placed in the front hall and was signed by most AU students. In addition a pep rally was held in the patio.

Activities were held throughout the year under the able supervision of Robert Mallender.

Made up of boys taking a cadet training course is the Colonist Torch and Saber Club. Adviser for the cadets is Donald Merritt.

Highlighting the year for the boys was the Tenth Annual Military Ball held Saturday, March 22, in the school study hall. Reigning as queen was Joan Moschenko.

Speech and Drama Main Objective

Having the distinction of being the newest club on campus is the Roto-Hi. Roto-Hi is a campus branch of the Rotary Club and is sponsored by the Anaheim Rotary Club.

Plans for the club were made early in the first semester, but the actual formation of the club was held back until the beginning of the second semester.

Roto-Hi is primarily a drama and speech club. A good many of its activities were related to speech and oratory contests. Any student interested in speech and drama is welcome to join the club.

This semester's activities were highlighted by the presentation of the play, "The Curious Savage." This play replaced the traditional junior play. Both National Thespians and Roto-Hi sponsored the play.

Howard Hovey is the instructor who was chosen as more adviser for the club.

To Learn about Science Was Fun

Another new organization this year is Gamma Pi, a physical science club. The purpose of the club is to stimulate an interest and knowledge in physical science. Chosen as adviser for Gamma Pi was Joseph Carter. Anyone that had had or was taking any science was eligible to join.

At the meetings the members discussed current science topics, and participated in projects and activities dealing with physical science. Instead of only hearing speeches given by teachers and seeing movies, they also enjoyed talks and demonstrations given by their fellow members about private collections or projects.

Among the several field trips that were taken by the group was a trip to the Richfield Research Center and one to the Los Angeles County Museum and Griffith Park Observatory.

For a service project Gamma Pi donated a bioscope to the school.

By separating into different committees during the year, the members took care of the halls, patroled the school boundaries and cafeteria during the lunch period and recreation, and watched the parking lot and the front lawn.

One week was set aside for a safety week, during which a car check was held. Cars failing to pass the check were not allowed to park in the school parking lot.

Members of the club worked in conjunction with the Tri-Hi-Y in some of the most important projects. Two of these were the Y Carnival, the purpose of which was to raise money for the World Service Fund, and Youth in Anaheim Day, which is the day that the youth takes over the duties of city officials for one day.

Starting off the year was an installation of officers for the officers of all the separate clubs. Training sessions were also held for the officers to better acquaint them with their duties.

Highlighting the year was the Cinderella Ball which was again held at the Disneyland Hotel's Gourmet Restaurant. Lois Casebeer was crowned "Cinderella" with Marsha McGaughy and Dora Wolin chosen as junior and sophomore representatives respectively.

Dr. Clara B. Hale spoke to the senior girls and the mothers at different times of boy-girl relationships. Among the many projects supported by the girls was a world service carnival.

"THE CAMPUS YEAR IN FOCUS"

BOOK FOUR

"Tickets ! Would anyone like to buy a ticket?" is the enthusiastic plea of students selling tickets for the varied events. Dances, plays, shows, and many more, through these, Colonists learn as they play. Here, the accent on activities, is education "beyond the classroom." When serious study is coupled with extra-curricular activities, the Colonists present the plays . . . speak the speeches . . . note the news . . . make the music . . . sing the songs . . . and conquer the challenge. Pictured on the opposite page are students preparing to decorate for the Christmas formal. Behind the most successful activity is effort and cooperation. Connies and Clems appointed hard-working committees to make possible the decorations that were admired by all and taken home by some for a scrapbook. Relief of the tension each has borne since the plans were made for the big event has finally come. Now the gym is dark and the decorations are gone—only the memory of the last dance remains. Many have worked throughout this year to make each event the best ever and to make it possible for each of us to reap the benefits of a full campus life . . . .

A murder trial was the scene of action, as the senior play, "Night of January 16", unfolded. The purpose of the trial was to determine whether or not Karen Andre had murdered her former employer, Bjorn Faulkner.

Bjorn Faulkner was a man who had swindled his way to success. In his climb to the top, he had married Nancy Whitfield, in hopes of obtaining money from her wealthy father. He did so even though he was still in love with his secretary, Karen Andre, who had been his accomplice in several misdeeds. Later, Faulkner learned that even the loan his father-in-law arranged for him could not save his crashing business. From this point on, midnight plane rides, mysterious disappearances, mistaken identities, gangsters, and a rendevous in South America were all included in the fast-moving drama.

With Beulah Bayless encouraging them as their director, the seniors turned in a performance that was rated a tremendous success.

Shown above enacting scenes taken from the spring play, "The Curious Savage" are members of the cast. It was presented this year by the Roto-Hi and National Thespians; the faculty sponsors were Howard Hovey and Louise Booth, while Beulah B. Bayless served as director.

"Welcome to the Cloisters," said Nurse Wilhemina as Mrs. Savage, clutching her teddy bear, entered the sanatarium where she had been placed by her step-children. After her husband died, Mrs. Savage had begun to spend her inheritance on the things she had missed in her youth; she had even produced a Broadway show so that she could become an actress.

The efforts of her step-children to take the money away from her plus the antics of the guests at the sanatarium added up to make "The Curious Savage" an evening of hilarious comedy.

Pretty, perky people were Anaheim's song leaders for 1958. Jean Miller, Charlene Schutz, Shirley Boutcher, and Diane Sliger fulfilled their duties charmingly and capably, although Shirley left at the end of the first semester. During the year, these girls attended practically all of the sports events bringing with them enthusiasm and spirit. Their clever routines and colorful costumes were an asset as they lead fans in the Alma Mater.

Working with the Pep Committee and the yell leaders, they built school spirit through many rousing pep assemblies and pep rallies. Wherever they went as representatives of AU, these girls made a fine showing.

Staunch supporters of strong school spirit were Mike Henroid, Larry Joy, Janet Leach, Judy Rau, and Pam Stirrat. Cutting capers for loyal Colonists at each football game these AU yell leaders also attended many basketball contests.

Appearing in Pep assembies, at many Booster functions, and acting as envoys of good will when dealing with rival schools, they became the symbol of the school by-word, "spirit."

"Spirit" took them three hundred miles over desert dunes to cheer at the Las Vegas-Anaheim battle. This "spirit" helped them keep the crowd in voice as they rallied the teams on to victory.

Next year's majorettes will have a high standard of showmanship to live up to.

Traveling to Long Beach to compete in the All-Western Band Review, they were rated 6th in a total of 69 bands. A first place award was given them for their fine showing at the Santa Ana Christmas Frolics, and at the Huntington Christmas Parade they recived second place.

Parade participation included Anaheim's Halloween and Christmas festivities and an Arcadia appearance. Special events attended were the Palm Springs Desert Circus and the May Festival in Orange. In addition they ably performed twice at Disneyland. Under the directorship of Bill Cook, this ensemble gave continuously fine performances throughout the year.

Awards Concluded Active Year

High school "Oscar" winners were Jane Carmichael, best actress, and Beverly Holiday, best supporting actress shown above. They were voted these honors at the Orange County High School One-Act Play Tournament sponsored by Orange Coast College.

Centering around the Senior Circle, a newly established tradition at AU, were many of the activities of the school year. It is hoped that as classes come and go, it will be a much-remembered part of their school life.

"Boy! Wish that bus would get here!" During every sports' season, this weary plea is heard while athletes wait for buses. On the opposite page is a representative from each sport in which Anaheim teams take part. Each sport is important to each Colonist, whether he be participating as a spectator or a member of the team. Actually, each is an important part of the team—one dependent on the other. The teams on the field or court depend on those in the stands for support and encouragement. Pride in their school is gained by those observing the game. Not only those in the thick of battle and those watching are active on the sport's scene, but there is also a great coaching staff behind every hard - fighting team. Each well - coached group of athletes work to win, although this is lesser in importance than the experience they get from working with others. Each Connie and Clem likes the feeling of success, whether it be obtained by winning the game or participating in a clean well-played sport. The 1958 teams have brought honors to Anaheim through their excellent playing and wholesome, competitive spirit . . . . .

This year's starting eleven varsity football players consisted of all returning lettermen except for Jim Pollard, and Jess Hurtado who was Most Valuable Player for the undefeated B football squad last year.

Five of the eleven Colonists were chosen to fill seven of the All-Sunset League '58 grid squad positions. Marshall Shirk, Norby Keolanui, Irv Knowles, Jack Bohan, and Gary Thornton were the five Colonymen selected for the team. Shirk and Keolanui were named to the first team on both offense and defense at the tackle and guard positions while Thornton was listed on the first club as a defensive line backer. Jack Bohan and Irv Knowles, who played terrific ball during the past season, received second nominations by the sportwriters, with Bohan being placed at the tackle slot and Knowles honored with a backfield listing.

In the selection of Thornton to the defensive unit of the first team, the club featured a man who has given some real four-star effort throughout this year. So spirited was Thornton's play during the past season that Gary was presented with the Roy M. Mendoza "Most Inspirational Player" trophy at the Booster's Club football banquet.

A brief insight into what the Colonists will have to face next season is the fact that all the starting eleven are seniors and will force the local coaching staff into finding replacements for them in the rugged Sunset League season next year.

REDLANDS - ANAHEIM

Burying their opponents under a heavy scoring attack, Coach Clare Van Hoorebeke's chargers proved that they were not to be fooled around with after clobbering the Redlands Terriers 34-6 in the opening contest of the 1957-1958 grid season.

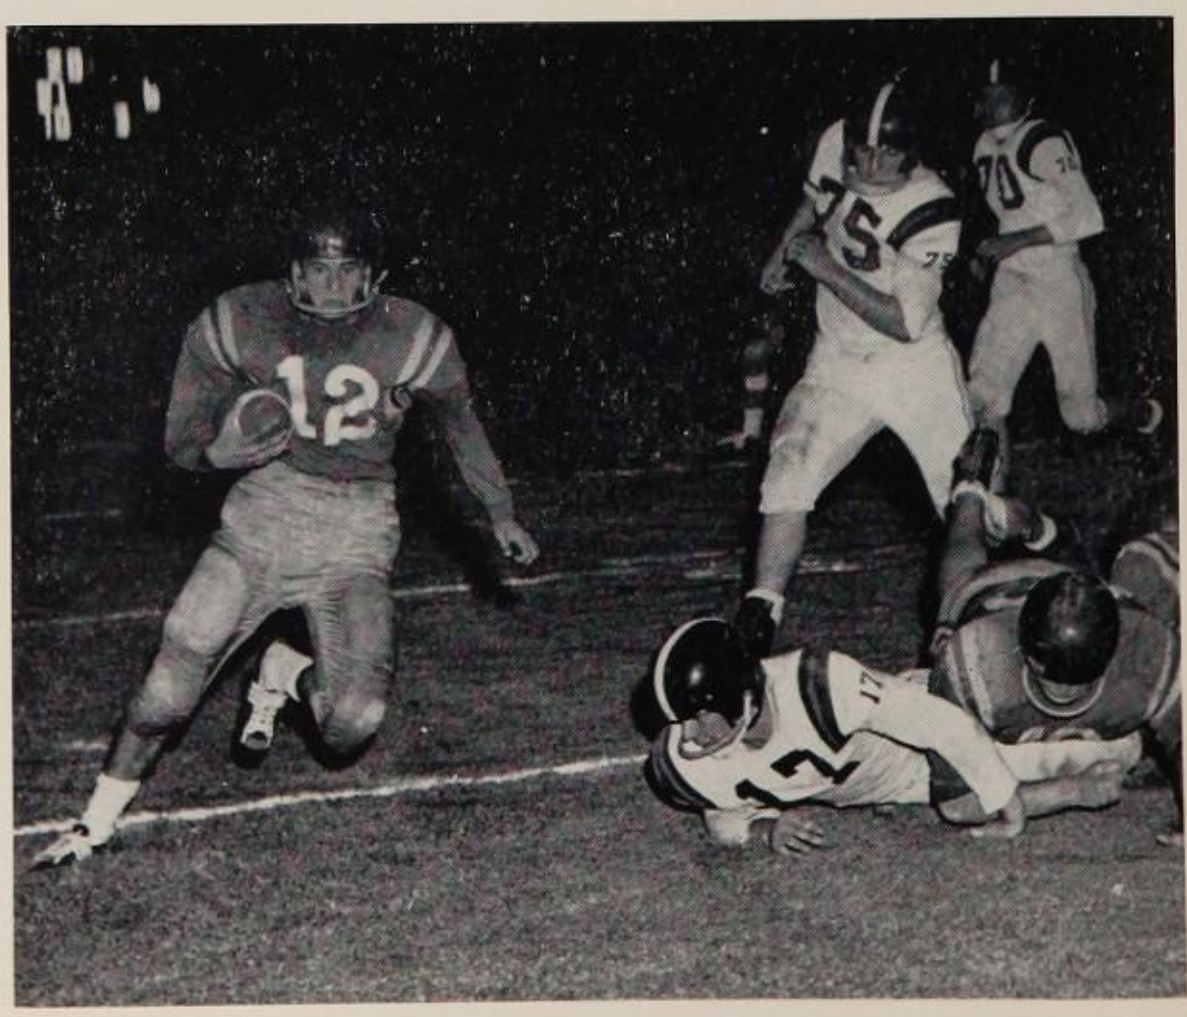
Jim Pollard, fullback for the local eleven, ran the pigskin for a total of 120 yards to set up 3 home scores. Bob McPhillips twice scored after running the ball 15 yards for a tally and again on a Terrier fumble.

LAS VEGAS - ANAHEIM

Maintaining their early season win-streak, the home eleven marched 70 yards in the final period to take a spectacular victory over the Las Vegas Wildcats 20-13 at Butcher Memorial Stadium on the loser's home grounds.

Irv Knowles, hit by the flu, was replaced by the able Jim Rodarte at the quarterback slot. Jim chose to use a stick-to the-ground strategy which paid off.

The Vegasmen, were not to be under-estimated as they took a second period lead 13-7 after running 68 yards in six plays for the vital points. After knotting the tally 13-13, AU unleashed their fourth quarter victory drive and downed the Wildcats 20-13.



On his way again Bob McPhillips (number 12) romps his way down field into enemy territory during the Redlands Terriers encounter which the Colonists won 34-6.

Gritting his teeth, Jim Pollard (number 23) prepares to evade an Indian tackle as George Bragg comes up behind him to give a hand in the Colony's bitterest defeat of the season.

FULLERTON - ANAHEIM

Putting a damper on Colonist hopes for a no-loss season, an avenging Fullerton eleven broke the Vanmen's string-of-wins record of 34 games by a very decisive 13-0 score.

It was also the first time that anyone shut out the Colonists since 1949 when the same Fullerton Indians scalped AU 33-0.

Several chances arose for salvaging the game. The first came when Norby Keolanui picked up a Fullerton fumble and galloped over the goal-line only to have the score nullified bcause of an Anaheim clipping penalty.

NEWPORT - ANAHEIM

Holding the Flu-ridden Colonists down to a non-scoring game, the Newport Sailors were also unable to score points for their own cause in the second league game at LaPalma Park.

Jim Pollard and Jess Hurtado did most of the Colony ground work as they worked the ball down to the 1-yard line at one point in the game but were unable to get the pigskin across for the needed 6 points.

HUNTINGTON BEACH - ANAHEIM

Anaheim's varsity traveled into Huntington Beach territory and returned as decisive winner after clobbering the Oilers 34-6 to mark their first win in Sunset League competion in the 1957-58 season. Roger Jackson, defensive end, started the scoring attack when he recovered a fumble deep in Oiler territory and stepped into the end zone for TD number one.

Irv Knowles galloped for six digits on an interception and then took to the ground a few minutes later and raced 34 yards for another Colony score.

Norby Keolanui picked up an Oiler fumble after the halftime break and charged 35 yards for scorcher number four. Karol Snow dashed over for the last Anaheim score.

LA HABRA - ANAHEIM

With a first period drive that seemed to stymie the La Harba Highlanders, the Anaheim football squad completely baffled their opponents with a near shut-out score 37-7 as the Colonists displayed their best offensive and defensive drive of the season.

Minutes after the kick-off, defensive halfback, Bill Larson, picked up a fumble and carried over the first Colony tally. Mike Castricone tallied the last TD for Anaheim.

SANTA ANA - ANAHEIM

Showing their best defensive power of the season, the Anaheim Colonists won their third league game by a score of 17-0, as they defeated the Santa Ana Saints in a rain-drenched game on November 2.

Scoring the first AU tally, with the help of Don Cook and Mike Castricone, was quarterback Irv Knowles. In the last quarter Knowles passed to Jess Hurtado, who went over for the second Anaheim score after which John Baker converted.

GARDEN GROVE - ANAHEIM

Winding up their '57 operations with a one-loss, one-tie, and six-win record, the Vanmen clobbered the Garden Grove Argonauts 28-0 on the Colonists' field November 8.

Don Cook, AU fullback, ran the kickoff to a profitable spot in the Argo territory. Cook, after a series of plays, raced over the end-zone to score, only to have the points nullified. In period two the home eleven traveled the remaining distance in eight plays.

The other three Colonist scores were made in almost the same way with Bill Larson intercepting a Grove lateral and romping 30 yards for a tally.

Mike Castricone carries the pigskin for a sizeable gainer as two Argonauts charge in for the kill during the Garden Grove battle as number 33, Don Spencer, comes to his aid.

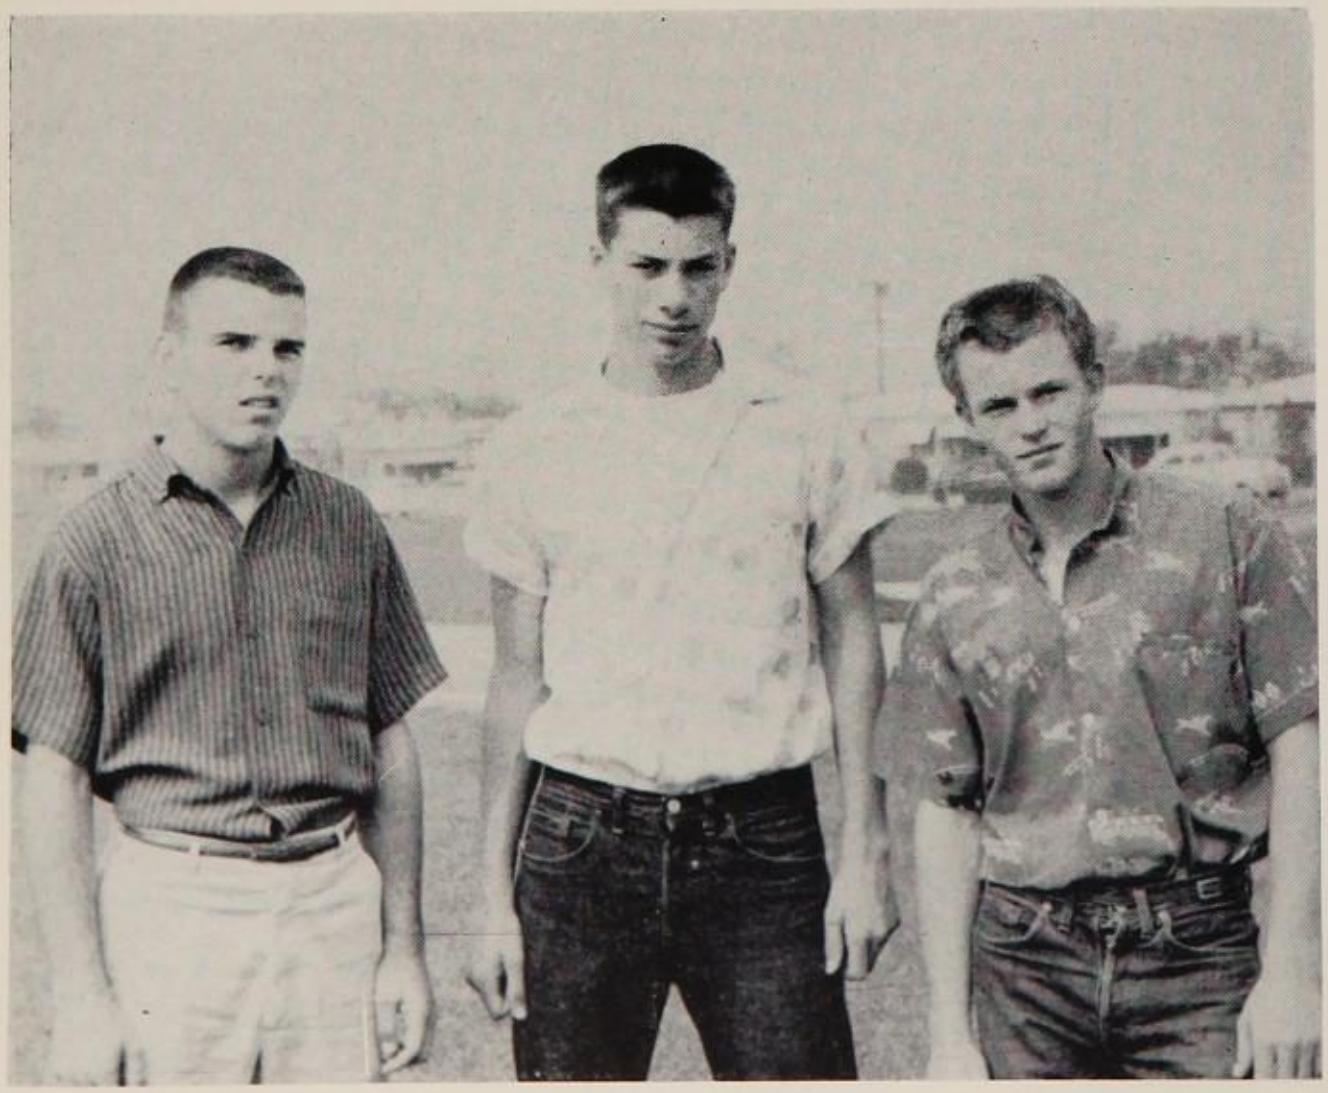
B Squad Had Undefeated Season



Glen Herbel, most valuable player, Denis Vollom, backfield captain, and Walt Farney, line captain, spirited their team mates to another year of undefeat.

Anaheim's B football squad extended its second year of undefeat under the able hands of Coach Don Liebhart and Coach George Roussos this season and in the process, walked off with the Sunset League crown.

As the strong arm of the middleweights swept across its league these teams fell under the Colonist might: Newport Harbor, Huntington Beach, La Habra, Fullerton, Santa Ana, Garden Grove, and Western.

Glen Herbel was unanimously chosen by his team mates as the most valuable player for his outstanding accomplishments on the gridiron this season. Serving as backfield and line captains respectively were Denis Vollom and Walt Farney.

And the C's Had a Building Year

Having a year uncomparable to last season's undefeated league play, the Anaheim C squad lost five of their six Sunset League games. Starting with a completely new team and coaches, the Colony C's improved steadily throughout the year holding their opponents scoring down more and more. The Mighty Mites, under the able guidance of coaches Don Nielsen and Don Lent, defeated Western High School in a practice game by a score of 21-6.

Don Nielsen, head football coach, transferred from Fremont where he was teaching and helped with the B squad a few years ago.

Most Valuable Player for the '58 season was Art Provencio, halfback for the Mighty Mites. Elected co-captain by the team were Don Dantice, backfield captain, and Claudio Aguilar, line captain.

Second in League Play

Sparked by a fast moving and high spirited first string, Coach Don Liebhart's Colonist varsity basketeers racked up an impressive league, tournament and practice record of 23 wins and only six losses to give them the second place birth in Sunset League Competition.

Liebhart's charges surprised even themselves when, after having won ten out of twelve practice games and dropping their first league game to Fullerton, entered the Beverly Hill's invitational Tournament, scourged all opponents faced and came home with the coveted trophy.

FULLERTON

Faced with a tough Fullerton five in the opening Sunset League play the Colony played a heart-breaking up and down game to lose by a single basket 53-51.

BEVERLY HILLS TOURNAMENT
NORTH HIGH

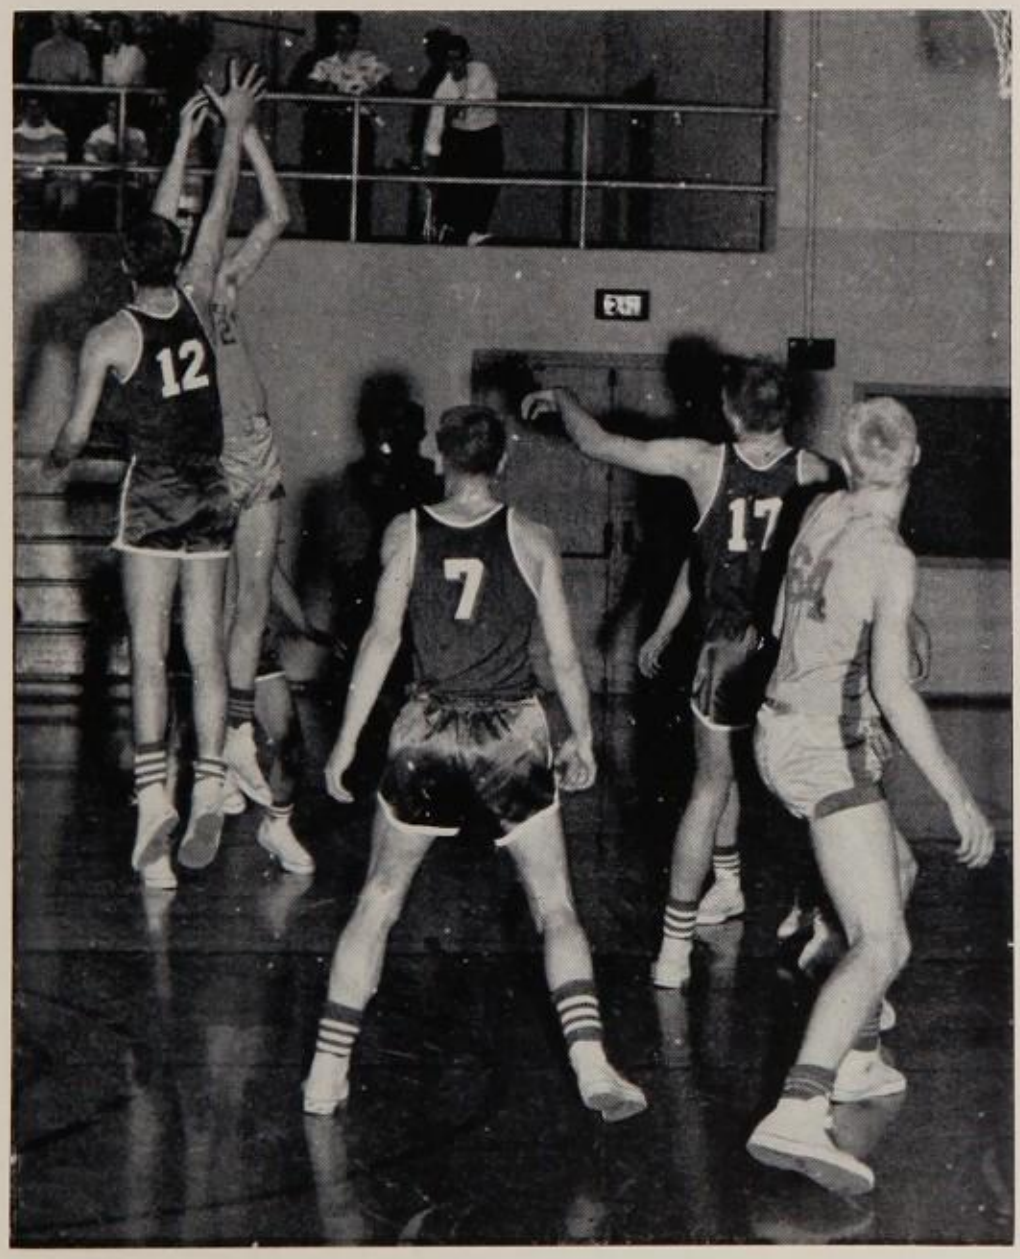
In their first game of the tourney Anaheim clobbered the Norsemen 80-27 and set themselves up for the second round and eventual victory.

BEVERLY HILLS

Still in high spirits from their previous game the Mother Colony was set back on its heels in the first quarter but, after a short talk by Coach Liebhart, settled down and won the tilt by a close 55-51 tally.

VENTURA

This game was very close for the AU quintet as their opponents were well coordinated both on offense and defense but were unable to cope with the Colonist drive and the Liebhartmen won 35-34.



Holding down a jump shot attempt by George Jones in the Fullerton-Anaheim hassle is an unidentified high-jumping Redskin player. Karol Snow looks on to see if he can assist while Jerry Enzenauer prepares for rebound which never came. The Indians defeated Anaheim's quintet by one bucket 53-51.

HUNTINGTON BEACH

Gary Dixon sparked his team to a 74-51 victory in their second game in league competition by bucketing 18 big points for his cause.

LA HABRA

NEWPORT HARBOR

Anaheim thought she had met her match when faced by this tough casaban squad and it was a nip-and-tuck battle to the finish with Anaheim winning 49-48.

SANTA ANA

Liebhart's changes did meet their match and more in this tussel with the Saints and although the Blue and Gold basketeers led through the first three frames the victors burst ahead in the final seconds of the last quarter and won 48-42.

GARDEN GROVE

Anaheim left home for this battle with the Argos and in doing so came back victorious with a 58-48 score. Jerry Enzenauer and Gary Dixon were high point men.

FULLERTON

Fullerton hosted the Colonists for the first game of the second round of play and were beaten by their arch rivals in the middle of a scoring barrage by Fritz Zwick of the Indians and Jerry Enzenauer of Anaheim.

HUNTINGTON BEACH

In their second meeting the Oilers were out for revenge and fought long and hard toward that objective, but Jim Carter of the AU basketballers would have none of it as he racked up 19 points to lead his team mates to a winning 42-40 tally.

LA HABRA

Continuing in their winning ways the Liebhartmen rolled over a highly improved La Habra five, despite a 21-point scoring barrage by Doc Blanchard of the Highlanders, 59-40.

NEWPORT HARBOR

Newport's Sailors proved in this tilt that they were better than a match for Anaheim's Blue and Gold squad as they bucketed 50 points to the visiting Colonist's 46 to come out victorious after a tough battle.

SANTA ANA

Coach Liebhart's proteges played host to the Saints for this quest in which the home squad came out on top by a diminishing 46-38 score.

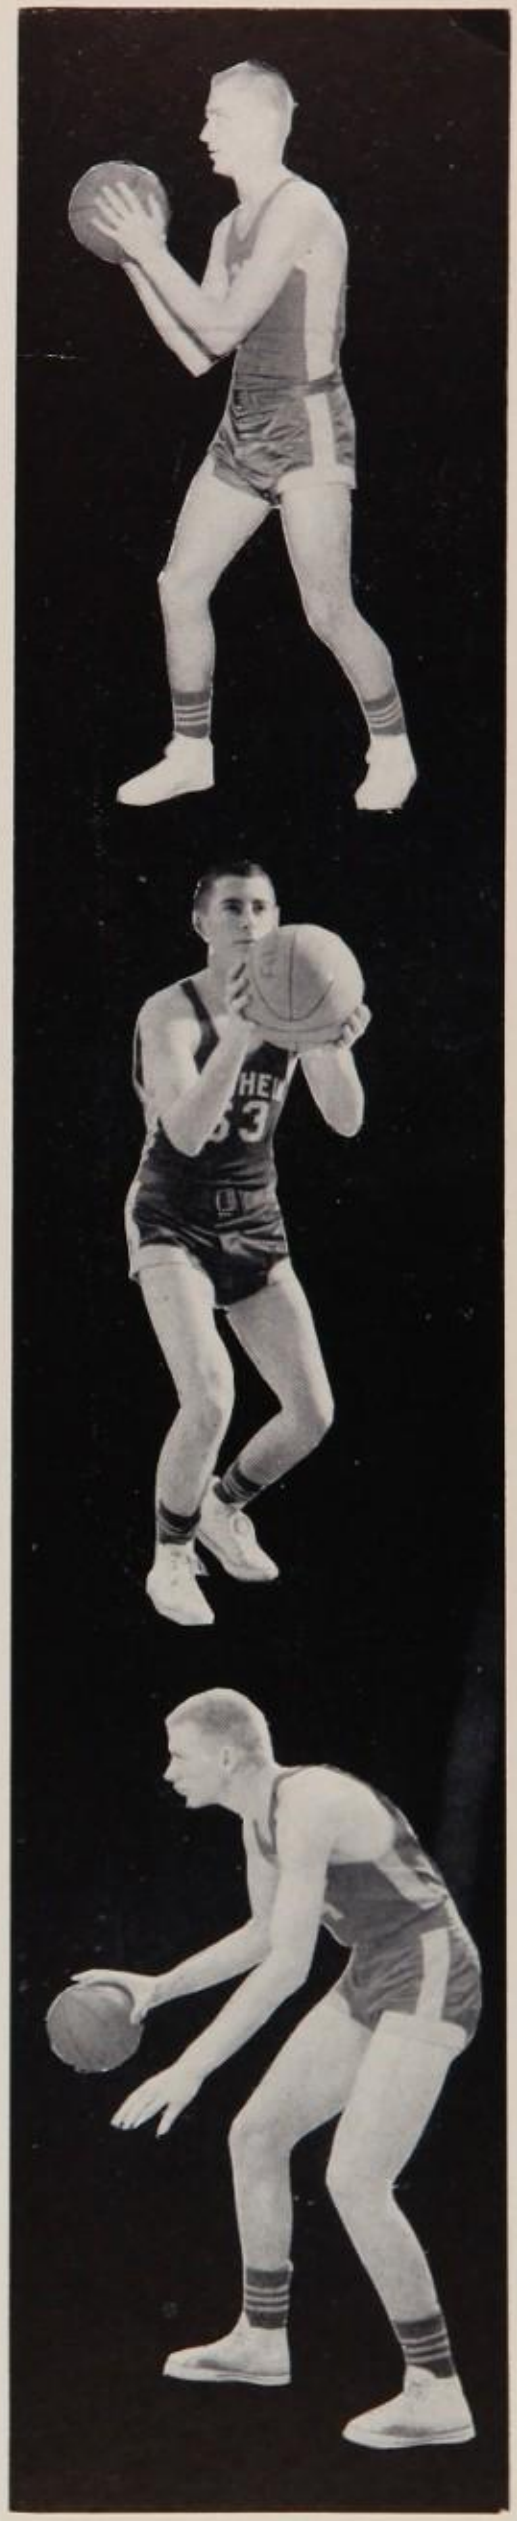
GARDEN GROVE

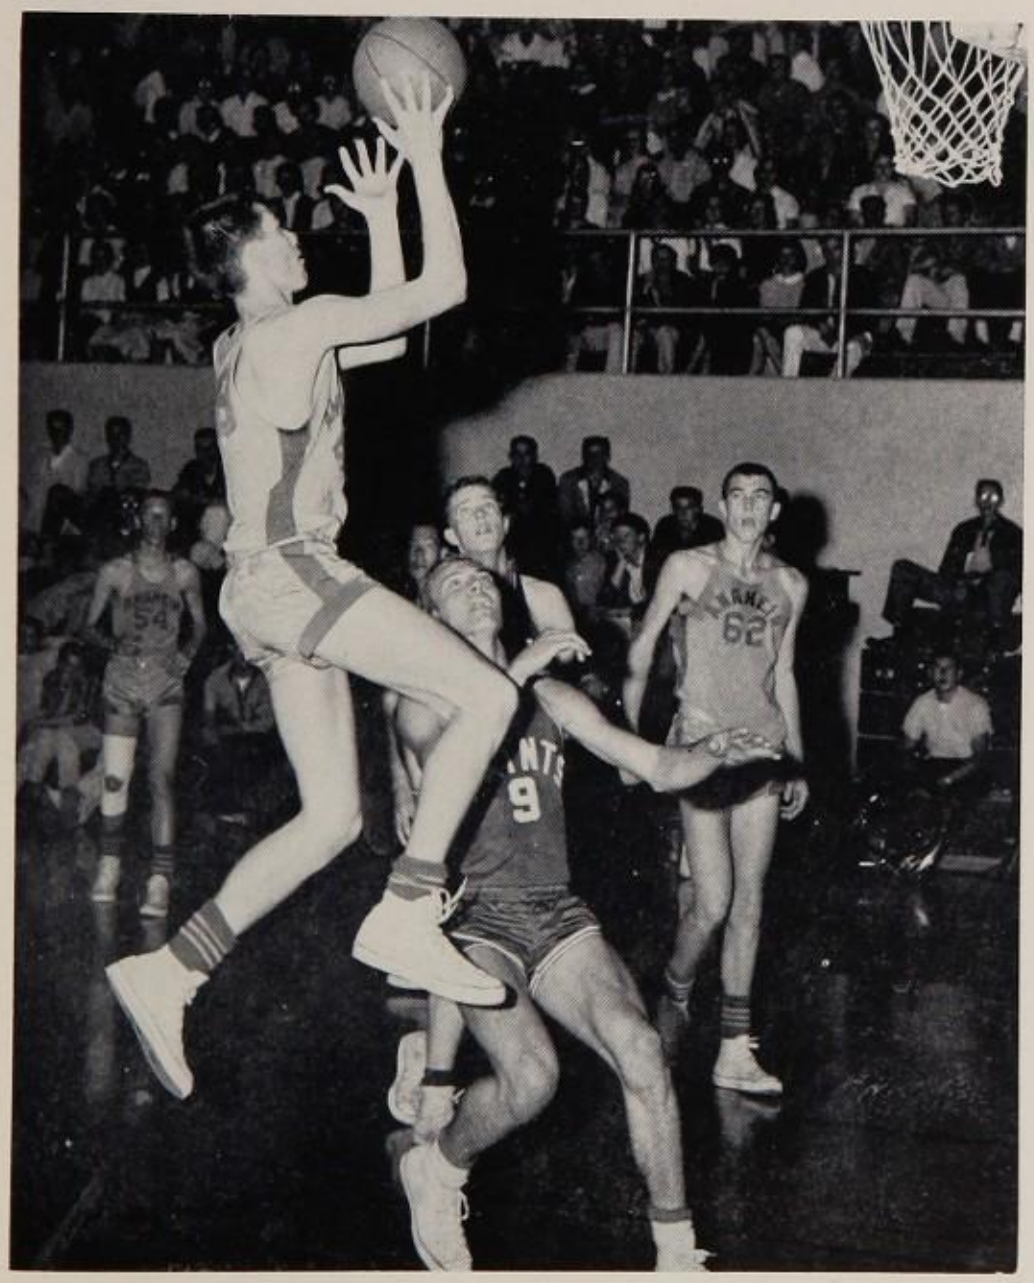
Garden Grove was out in force for this game to avenge their previous meeting. Wells Sloniger and Jim Semon tallied 14 digits apiece to help their cause, but it wasn't enough. Anaheim won the final league game of the season 50-33.

CIF PRELIMINARIES — SWEETWATER

In this their one and only CIF game, the Colony was faced with a strong defensive unit which held them down in scoring. The last minutes were very close and when the buzzer sounded the Sweetwater quintet held a slight advantage 41-37.

Has Commendable Year





Denis Vollom leaps over the heads of his teammates as well as two startled Santa Ana players, as he comes in for a quick layup and two more Colonist points. George Jones prepares for rebound while Clinton Stark looks on from mid-court after passing the ball to Vollom.

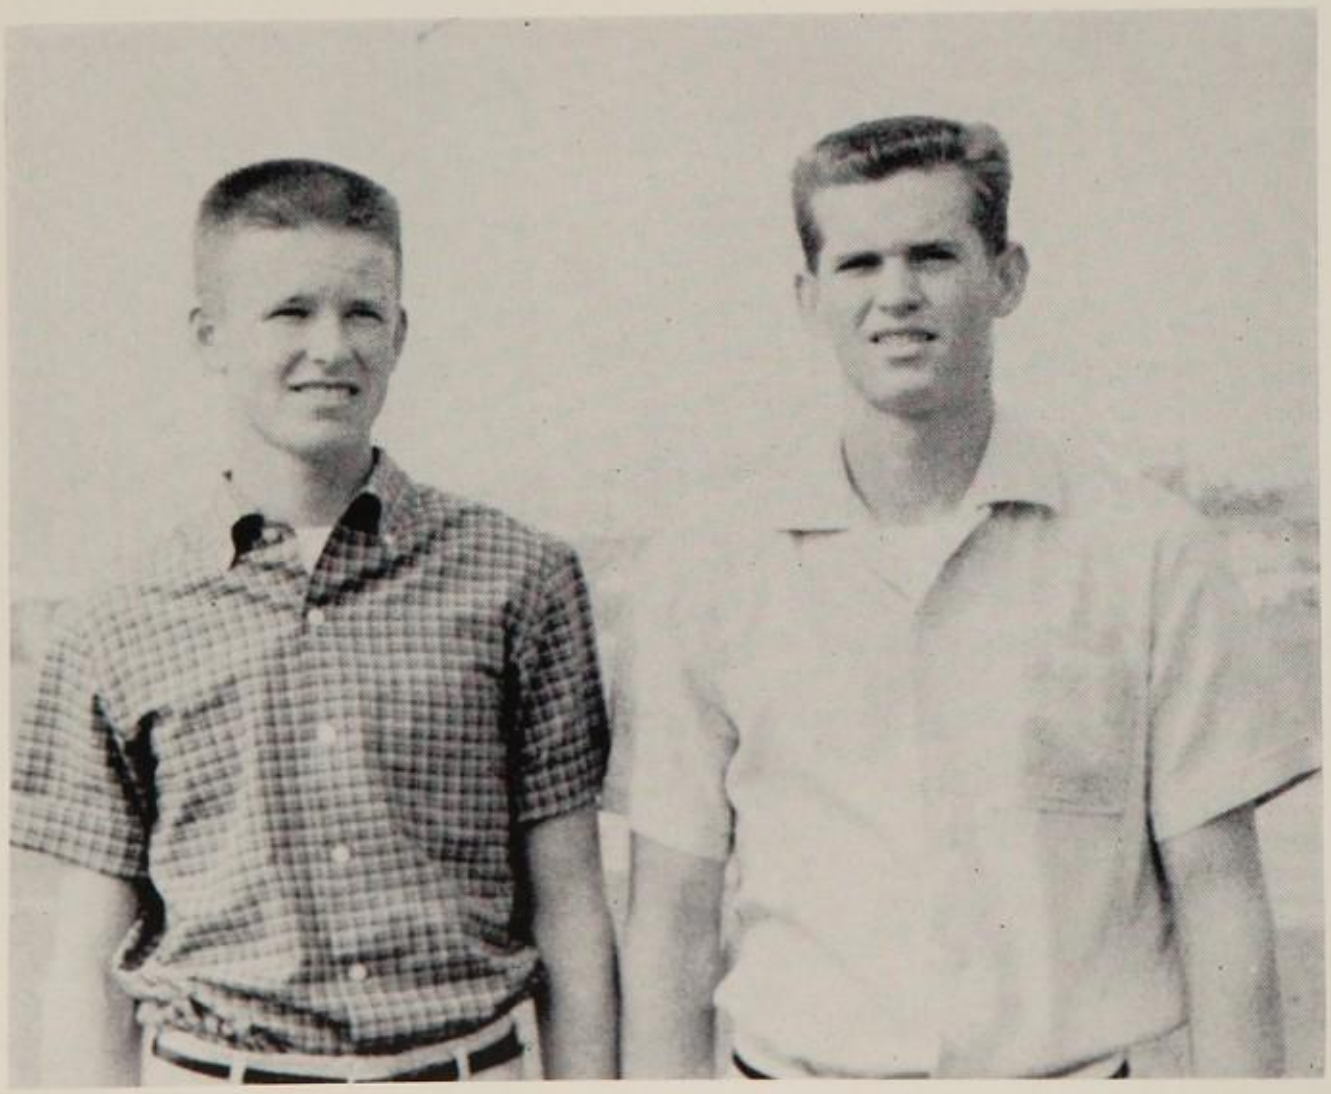
With 20 Junior Varsity Victories . . .



Selected by his team mates as captain was Brad Harker (left) while the most valuable player selection for the season went to Don Grothe.

Being the only Anaheim junior varsity squad ever to take a first place spot in Sunset League play, the Colonists won 20 games and lost none in the loop season. Under the guidance of Coach Brant Cowser, the squad racked up some 1,020 points compared to the 713 for their hard-fighting opponents.

Usual starters for the JV crew were Don Grothe and Jim Starr, forwards; Terry Thatcher, center; and Brad Harker and Glenn Herbel, guards. Clinton Stark and Mike Maxson also got into action in the forward and guard slots, respectively.

For his high-scoring and good sportsmanship, Don Grothe was elected by his teammates as Most Valuable Player for this year. Brad Harker, whose scoring was a great asset to his team, was elected captain of the squad.

B BASKETBALL—TOP ROW: G. Koblitz, Mgr., P. Fardig, S. Habner, H. Welton, B. Thomason, B. Litz, and Coach George Roussos. BOTTOM ROW: V. Thornsberry, B. Cristiano, D. Montoya, B. Godoy, T. Lambeth, and J. Berault, Mgr.

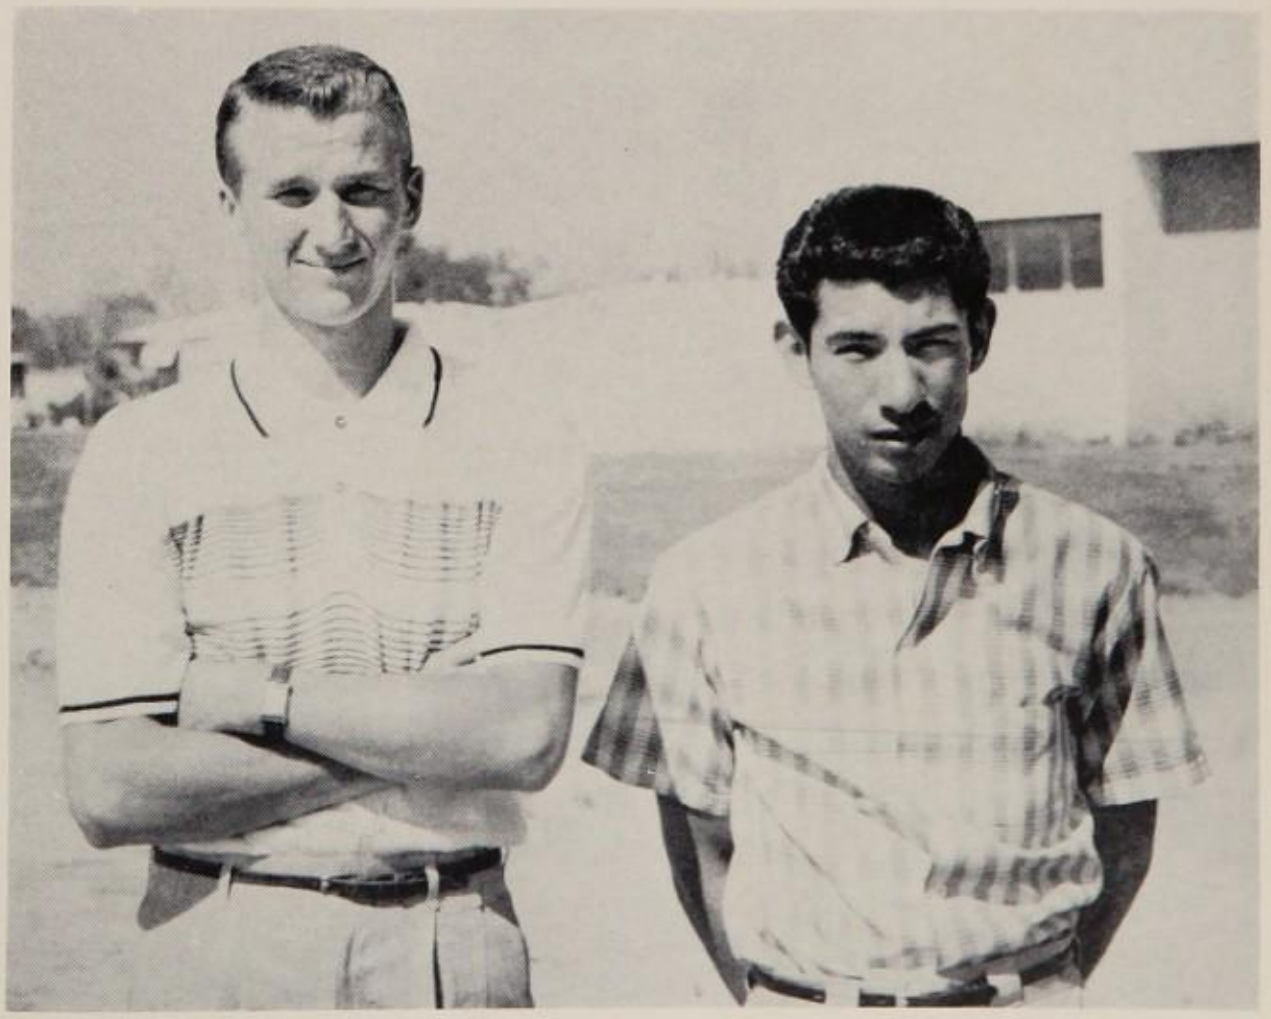
A Second Place Tie for the B's . . .

Tying for second place in Sunset League basketball play with Newport Harbor High, the B roundballers made it their third consecutive year in the first division.

In tournament games the Colony team placed third in the Samohi Tourney defeating a powerful Inglewood squad 30-26 and knocking down Riverside 31-28. During the third playoff game the Anaheim five lost to a tough Long Beach Poly quintet by a score of 37-21. The Roussosmen downed Santa Monica in their last game 44-30 to clinch their third place position.

The B squad won 19 out of 24 games this year losing to San Bernardino, Long Beach Poly, La Habra and two tilts to a strong Huntington Beach league team.

George Roussos, head coach for the middleweights, in his first year has led his quintet to a total of 1,062 scoring points compared to only 847 points scored by their opponents.



Pictured above are the two boys voted Most Valuable Player and Captain of the B basketball team for this year. They were voted to these positions by their teammates because of the playing ability and high scoring of each. They are Stan Kula on the left and Bob Godoy who received these awards.

And a C League Second Place . . .

Shown above are two of the main sparkplugs of the Colonist's C basketball squad. Due to their fine efforts and spectacular playing Bob Franco, on the left, and Vernon Payne were selected to be most valuable player and captain respectively.

In his first year as C coach, Don Lent led his charges to a 20-win and two-loss seasonal record as they captured the number two spot in Sunset League competition and amassed a 43-point per game average as opposed to their opponent's 29.

Garden Grove was the only team to stymie the Colony 'Midget' drive as they were able to beat the 'Mites' by a single point in both of their encounters, but the continual fighting spirit of Coach Lent's proteges carried them over the toughest battle in their conquest for victory.

When the team voted for Most Valuable Player and captain, it was decided that Bob Franco and Vernon Payne should hold those posiitions respectively.

Colony Thinclads Place Third . . .

Placing a high third in Sunset League competition this year, the Colonists collected many awards and broke a few records in varsity track.

Jim Manning, Anaheim's excellent pole vaulter, captured a first place in the Chaffey Invitational Track and Field Meet when he cleared 13 feet 6 5/8 inches. Manning broke the existing Anaheim school record, set by Gary LaGreide last year at 12 feet 4 1/2 inches, three times ending with his final height at the Chaffey Meet. He also holds the Chaffey Meet record.

Coach Bob Hager's relay team broke the old school record of 1:32.5 with a new time of 1.32.4. Bob McPhillips, George Bragg, Gary Shepard, and Bill Smith composed the all-junior relay team. This year's track team was the first Colony squad in 19 years to defeat Fullerton and Santa Ana in dual meets and also in the league meet.

B and C Squads Hold Their Own . .

Carrying the load for the C tracksters this season were Jim Shigekawa and Don Ortega, backed up by Larry Muller, and Bill Parker.

Shigekawa was the only participant in the B or C squads that made the CIF competition. He was placed in the broadjump division in the CIF but competed in the broadjump and low hurdles in league meets.

Don Ortega was the very best the C's had to offer in both the 660 and high jump. Larry Mullen and Bill Parker were tops in the sprints and relay with both turning in good times.

Holding their own in league competition the B squad registered a fairly good account for themselves this year. Bob Westbrook, high-scoring man on the middleweight squad, did his best in the 100, 220, relay, and the broadjump.

Ray Herrera was top man in the 1320, but Ernie Verdugo, varsity CIF elective, broke the old 1320 B record this season in the time of 3:21.9.

Rick Robinson was tops in the 660; Gary Frye and Dave Wells did their part in the pole vault division.

Walt Farney and Al May were the two better men on the shot put tandem.

As Pacers, Riflemen Follow Suit

Coach Bob Hager had due cause to be proud of his improved cross country squad this year as they advanced from the fourth place position they acquired last year in league meets, to a second place in the Sunset League finals With the terrific cross country running of its team captain, Ernie Verdugo, who took third in CIF preliminaries and seventh in the CIF finals, the pacers were helped in their ever-improving advancement toward the top of the league.

Turning in a fine performance of marksmanship, Anaheim's five-man rifle team returned from the Sacramento state finals with the highly prized state championship trophy, shown in the photograph below. The team also garnered military medals during the South Coast shooting meet and planned to shoot again at the El Monte meet before the year ends.

Lieutenant Don Merritt, adviser, has done an outstanding job in bringing about the superior rifle team for Anaheim.

Varsity Horsehiders Defend Title

As the baseball season reached the halfway point, the Anaheim Sunset league defending champions poured on the heat as they set out for another winning year and another trophy. Although complete seasonal results could not be printed because of press time, prospects look good since the Wallinmen have won five and lost one to put them in the leading contention spot.

Posing as the big threat to the AU baseball express was Newport Harbor who dumped the Colonists 3-2 in a game which had to go into an extra inning. Santa Ana presented a threat only if an upset occured when they played Anaheim later on. As the situation stood then, their chances appeared slim. The Wallinmen still had another round of ball to play.

The first string consisted of Clint Stark and John Baker, pitchers; Gary Thornton, catcher; Bill Essex, first base; Jim Rodarte, second base; Bill Larson, third base; Irv Knowles, shortstop; Bob Cosner, left field; Bob Hatfield, centerfield; Bob Baker and Bill Barthel, rightfield.

Tagging out an unidentified La Habra runner is Bill Larson, third baseman for the Colonists. Larson, a returning letterman for the Colony ball team, tagged the Highlander out after he tried to steal an extra base during the La Habra-Anaheim game April 17. Big John Baker, Anaheim's prize pitcher, was on his toes as he saw the runner trying for the extra base and fired the ball to Larson who made the out.

JUNIOR VARSITY BASEBALL—TOP ROW: Coach G. Roussos, M. Bailey, D. Grothe, J. Starr, D. Kreager, L. Lowe, D. Smith, G. Schultz, and H. Welton. BOTTOM ROW: G. Herbel, S. Gimino, J. Avitia, L. Magdaleno, B. Ramirez, B. Godoy, R. Hopkins, and M. Lilly.

With JV's First, and Sophs Midway

Press time not allowing complete results, Anaheim's junior varsity horsehiders were rolling over their opponents with their eyes on the Sunset League championship which the Colonists have captured the past two years.

Tied with Huntington Beach for first place, Anaheim had a 6-2 record for league play with four contests yet to go. Huntington Beach and Santa Ana were responsible for the two losses. Hurling for the Colony were Don Krueger, winning five and losing two, and Jim Starr, who carried a one-for-two record.

With four games still remaining, at presstime, the Colonist sophomore baseball team prepared for their remaining encounters with high spirits even though their season has been only average. A win-loss record of seven and six didn't exceed last year's of twelve and three, but the experience gained playing this year will be invaluable for those boys desiring to go to the JV or varsity teams. A few of the members stand out from the rest as they supplied much of the strength for the team. They were Tom Lambeth, Ricki Schefler, Raul Saucedo, Bruce Harner, and Ron Lehmen.

SOPHOMORE BASEBALL—TOP ROW: Mgr. T. Hughes, T. Lambeth, B. Johnson, B. Harney, B. Ferguson, R. Douglas, and Coach D. Nielsen. BOTTOM ROW: G. Ethier, R. Saucedo, B. Hawkins, L. White, M. Rosenthal, G. Church, C. Morgan, T. Saucedo, R. Lehman, and L. Hood.

VARSITY SWIMMING—TOP ROW: Gary Scherer, Russ Coupland, Tom Leo, Doyle King and John Bunnell. BOTTOM ROW: Ron Shamas, Dieter Galle, Dean Schoborg, Doug Scott, Gregg Parker, and Coach Roy Brown.

Having a fairly successful season, the varsity finished fourth in league competition. Three records were broken by the varsity, the 100-yard backstroke which Doug Scott swam in a new time of 1:07.4.

Another record by Scott was the 150 yard individual medley which he lowered the time down to 1:48. The last record was set by the varsity free style relay team, which was composed of Dieter Galley, Gregg Parker, John Bunnell, and Dean Schoborg, in a new time of 1:43.8.

A, B, C, Swimmers Set 10 Records . . .

Showing a terrific season the B's finished third in the league, and also broke six records. John Centobie, Don Watt, Bob Day, Don Dierberger, and Herb Jackson were the record breakers for the B's.

Although the C's didn't have a too successful season, one record was broken and one was tied by Bernie Johnson, who set a new 50-yard free style time of 26.6 and tied Bob Day's record for the 100-yard free style of 1.00.6.

The man who coached these teams to their most successful season was Coach Roy Brown.

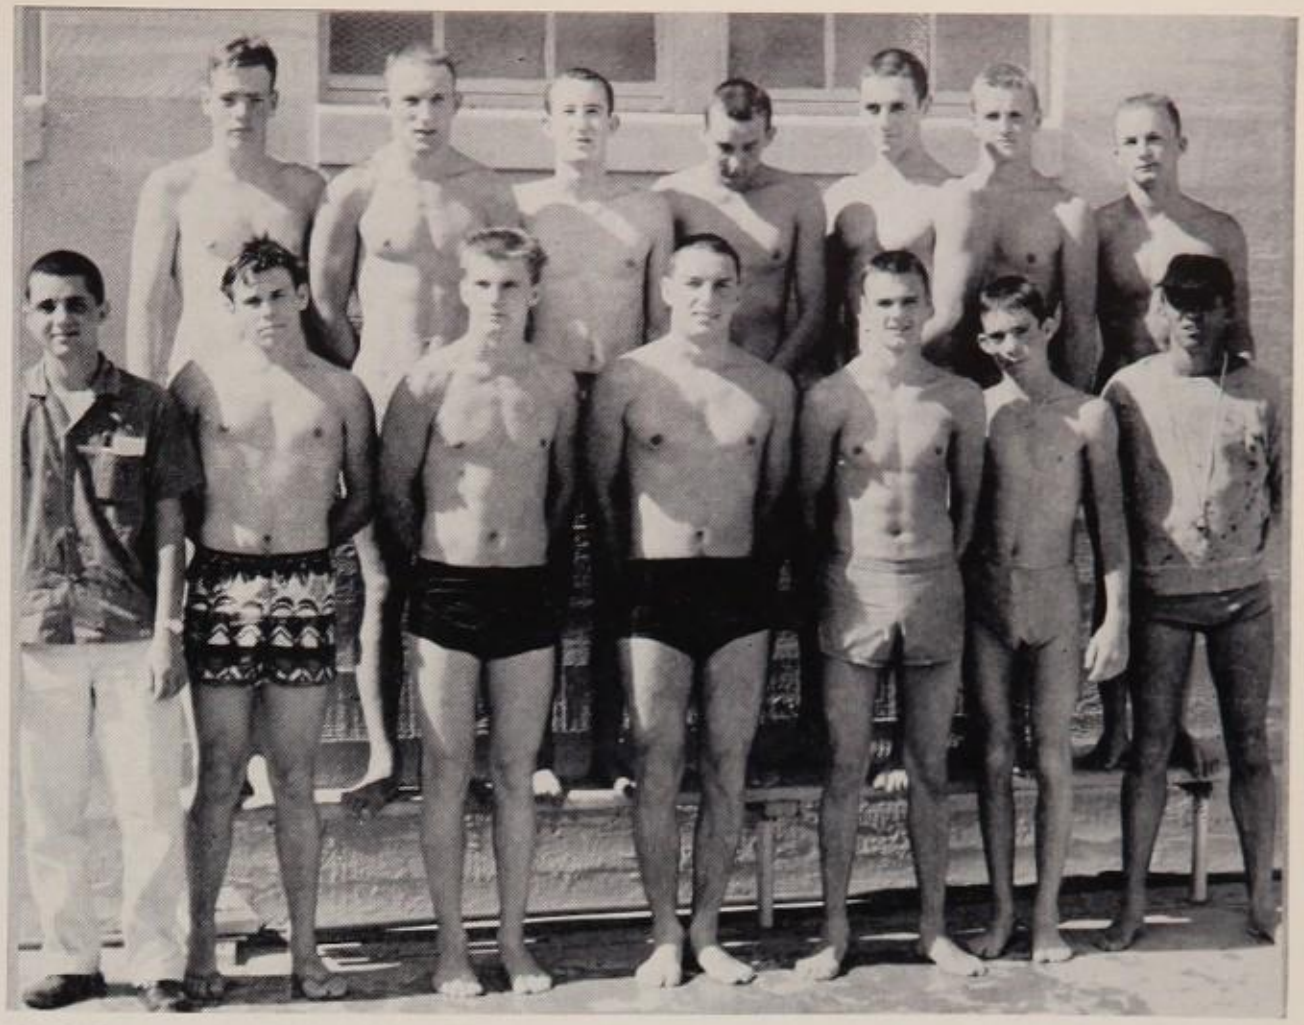
As Waterpoloists Have Best Year . .

With the majority of the varsity squad playing their last year for Anaheim, each member gave his best effort and annexed the most successful season in the Colonist's water polo history.

Playing Fullerton twice, the AU frogmen dropped both decisions to the Indians, each one by a slim ane-point margin.

Due to the efforts of Norman Montague, captain, Dean Schoborg, most valuable, Frank Thomas, most inspirational and "Player of the Year," the 1958 squad gave Anaheim a reputation that will have to be lived up to by the B's and C's that will form tomorrow's varsity.



VARSITY WATERPOLO—TOP ROW: R. Coupland, G. Scherer, B. Hoban, D. King, G. Parker, G. Carter, and J. Bunnell. BOTTOM ROW: R. Shamas, T. Leo, D. Schoborg, D. Galle, D. Scott, D. Smith, and Coach Roy Brown.

C WATERPOLO—TOP ROW: Sonny Means, Loyd Bibbee, Mike Morton, Bernie Johnson, Steve Brown, Mike Forbes, and Ron Shamas. BOTTOM ROW: Coach Roy Brown, Tom Hoag, Dave Renk, Dennis Millonzi, Dave Smith, and Jim Cousins.

B WATEERPOLO—TOP ROW: Larry Decker, Doug Centobie, Bob Critchfield, Ken Dierberger, Dick Houston, and Tom Martin. BOTTOM ROW: Coach Roy Brown, Don Dierberger, Jim Centobie, Don Watt, Cliff Johnson, and Ed Railsback.

The B's managed to finish fourth in league competition. Although their season was not as successful as the varsity's or C's, everytime the B's played a game their opponets knew they had been in a fight. Some of the outstanding players were Don Dierberger, most valuable; John Centobie, "Player of the Year"; and Don Watt, captain.

The fighting C's finished in third place. The most-outstanding player on the C's was Dennis Millonzi who captured all three awards of most valu- "Player of the Year," and captain. able, "Player of the Year," and captain.

Netters Vie For League Honors . . .

With the tennis season drawing to a close, the Anaheim varsity racketmen carried a 17 for 19 record and had cinched a second spot in league competition. Surprising a confident Santa Ana team, the Colonists dumped the Saints who were the previous Sunset League champs, and became a definite threat to other hopefuls for the league championship.

Outstanding seniors on the squad were Glenn Looper, Ken Fenton, and John Heiden, captain, who gave top performances on the court. Promising juniors were Don Kliss, John Easton, and Stan Kula.

Although their season wasn't outstanding, the junior varsity netters managed seven wins in 19 tilts and were classed as having an average year. Press time wouldn't allow final seasonal results, but Coach Bill Cook, who will be leaving this year, wasn't counting on a top position in the league standings.

Hopefuls for next year's varsity are Bill Piper, Bill Ivory, Kirk Hoffner and Brian Stieler, as they return to face the opponents which the varsitymen have so ably defeated.

Although membership is limited, most of the girls who are interested in sports at AUHS may join the Girls' Athletic Association. Under the leadership of Betty Lancaster and her assistants, Joan Fee and Dorris Lemp, this assaciation has emphasized good sportsmanship and team spirit in the many sports which have been offered to the members. Included in these sports are basketball, hockey, volleyball, softball, badminton, tennis, swimming, golf, shuffleboard, and archery.

GAA members have participated in many activities this year through the organization. In addition to taking part in several playdays, they staged a Red Cross drive which proved very successful, they held a picnic at Irvine Park, and climaxing an active year they held the annual banquet.

They Were on the Ball, Real Cool

TENNIS—This year saw these GAA girls in tennis action. Many paired off to play doubles while others entered into the singles division. Early in December, competition began when the girls had their first tennis playday on AU's tennis courts. The girls saw plenty of action from then on until the end of the season.

SWIMMING—These lovely GAA bathing beauties represented Anaheim High in a swim playday held at Garden Grove, February 18. Most of these girls were given the chance to decide whether to go out for tennis or swimming.

Earlier in the school year, GAA members enjoyed a swim party held in the school pool to get acquainted.

SWIMMING—TOP ROW: S. Teague, L. Freeman, B. Liptrapp, J. Werner, J. Downs, C. Roland, B. Briscoe, L. Bakker, J. Kennedy, D. Mills, D. Bradd, P. McCarthy, P. Hauck, B. Morton, K. Nelson, B. And Kept Their Eye on the Birdie

ARCHERY AND GOLF—This year the seniors were introduced to two sports, archery and golf. In archery the girls got a big kick out of trying to hit the target.

Not having a real golf course to practice on, the girls, with their swinging clubs made desperate attempts to hit the ball only to up-root the grass.

BADMINTON —These GAA girls, along with other GAA members, kept their eyes on the birdie as they swang their badminton rackets to and fro.

By the toss of the racket this game of skill and chance began in which the girls vied to see if they could beat their opponets by reaching the final fifteenth point first.

GOLF—Fighting for the ball in an apparently gruesome golf game are, from left to right, Jean Brown, Beverly Woodruff, Joyce Boege, and Micki MacDonald.

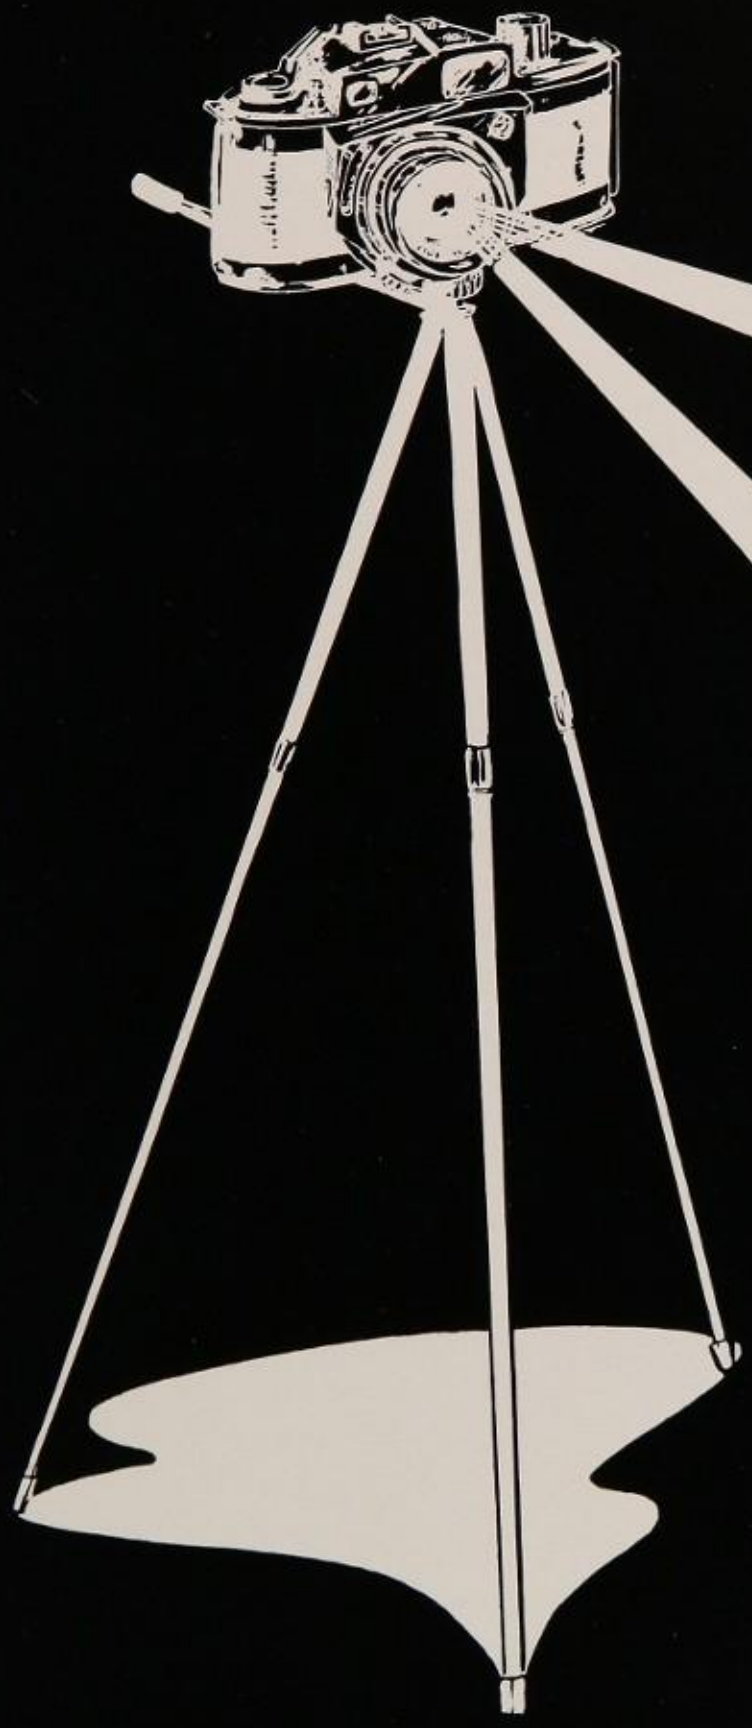
ARCHERY—"Ready, aim, fire!" The William Tells of Anaheim's senior GAA are, from left to right, Judy Porter, Daisy Nakamura, Tracy Bylsma, Charlene Schutz, and Mary Jeter.

Looking Back on GAA's Activities

This year's GAA cabinet was constantly in focus making plans for the year's activities. Some of their many achievements were the GAA picnic, the senior barbeque, a color playday, and several playdays with other county schools.

Girls initiated into GAA on November 5 wore two skirts, a clashing blouse with a contrasting scarf, nylons and boots, a hat and a sign designating the sport they went out for, and no makeup.

In promoting school spirit these and other GAA girls participated in several playdays in the various sports. In this scene, the girls are involved in a game of softball, preparing for the last playday of the year.



AT ANAHEIM HIGH

"THE CAMPUS YEAR IN FOCUS"

DBOOK SIX

"Gee ! What a beautiful outfit !" This represents a typical remark given to quality merchandise and services offered by Anaheim's fine retail, industrial, and professional representatives. These have chosen to advertise in this division of the Colonist and on campus in the window pictured on the opposite page. The 100-plus firms, that see fit to support the school through these mediums of advertising, merit the support of the student body and faculty for helping to make this book the success that it is. An Anaheim student reviewing his collection of yearbooks sees many familiar commercial business firms on display year-after-year in the Colonist. This is a tribute to the yearbook's marked influence on the community's "Citizens of Tomorrow." These annuals have welded together innumerable years of students, each with his own customs, usages, and preferences, into a bloc of potential customers. Students look favorably toward the products made and sold by supporting agencies within Anaheim's orbit of influence. After graduation, many will seek out the firms herein represented to become a part of the city's producers, sellers, and buyers . . .

Hard work and determination of the 13 members of the advertising staff helped to make possible the 1958 Colonist. Under the guidance of Larry Quille the contacts were made and the details prepared for the printing of this section of the annual. Unknown by many, this section is highly important to the annual. Funds that are brought in as the result of the untiring efforts of this staff make a large portion of the financial details of the book possible.

A MESSAGE TO YOUNG PEOPLE *and Parents* FROM A GREAT AMERICAN

" . . . . today's exciting era of rapid discovery and almost unbelievable technological progress offers young people with inquisitive minds—*and a good education*—scores of richly rewarding opportunities that were not even dreamt of in my youth.

"*One* Thomas Edison in a generation is no longer enough to sustain our kind of progress —today we literally *need thousands of well-trained young people* with the kind of vision, imagination and courage that took Edison on his lifelong conquest of the unknown.

"This is why I am constantly urging boys and girls to go on *to as full an education* as possible—not only in science and engineering, but in the arts, the social sciences, the humanities or any other field that fits their talents. . . . "

Acknowledgments

Although the work is finished and the 1958 Colonist is completed, memories of the staff's constant cooperative efforts live on in the finished product. By assigning the work to different editors and into departments, a successful annual was produced. Because these division editors have worked so well as a team and have done such a fine job in tying our yearbook together, each deserves special commendation for the job they have done. I can do so only in words, but sincerely wish it could be done by some greater tribute.

To be without Larry W. Quille, journalism and advertising adviser, would have resembled being without your right arm, for without his guidance and overall knowledge of yearbook production, it would have been all stumbling without accomplishments. His patience and understanding throughout the year made each of us do our job better.

"Get that copy in!" "Where is that headline?" These are but a few of the remarks that could have been heard coming out of the print shop from Lloyd Ross, printing instructor, as he good-naturedly but firmly "got us going" on the annual. Teasing was not only heard from Mr. Ross but Arthur Combs, pressman, had a great feeling for humor also. Without the aid of these two, we could not have overcome the many mechanical obstacles that were set in our way. Print shop students who worked on the annual were Jim Angellar, Richard Anderson, Gary Saverien, Ralph Heckerman, John Fear, James Jay, Dan Dmitrieff, Nick Guerriero, Bill Mathias, Damon Mounce, Bob Gordy, Larry Goin, Robert Little, and David Jones.

Pictures galore is the key to making a theme concerning photography successful. Mr. Ted Wade, photography adviser, and his staff of photographers, Leo Crabtree, Chris Flynn, Robert Whitehead, Harland Kinsey, and Larry Secrist, met deadlines and took pictures for us. Sincere thanks and appreciation go to the Arsene Studio for the excellent colored transparencies for the division pages, various activity shots, the new individual faculty pictures, and a few other "special shots." Both Renwood and Arsene studios deserve recognition for the fine senior pictures. Also the Anaheim Bulletin contributed a number of sports action shots.

"You can't tell a book by its cover" so the saying goes, but we hope you could tell how good the inside of our book would be by the wonderful cover the S. K. Smith Company made for us. Jim Hopkins, staff artist, deserves special commendation for designing it for us. Bindex Binders again did an excellent job in binding this book. Who else but Peterson Engraving Company could give us the top-notch engravings they have this year and for the past 27 years. Peterson's gave us what we asked for and also professional advice on disputed points. Our deepest gratitude to them for the four-color process engravings that were used for our division pages; they were exceptional. The last 44 pages of the annual were printed by the Lithographic Arts in Santa Ana. To all of these companies go our deepest thanks.

To make these printed pages possible, the advertising staff worked long, hard hours to raise necessary funds. My sincere appreciation goes to the following staff members for their excellent salesmanship: Dolly Hathcock, business manager; Carol Alvord, bookkeeper; Brenda Clifton; Sharon Haney; Jim Hopkins; David Jones; Phoebe McAuley; Janice Milne; Jan Schimmer; Bill Wasson; Lois Wenholz; Judy Young; and Chuck Munyon.

Without my able-bodied staff none of this would be possible. No one person is responsible for a completed annual. It is the many individual section editors working together for a common purpose — the completion of the best annual ever produced at Anaheim—that makes a year of hard work worthwhile and successful. My excellent staff members include Jane Roland, associate editor; Micki MacDonald, administration; Judy Young, senior class; Shirley Shakoian, junior class and co-girls' sports; Linda Stevens, sophomores and co-girls' sports; Gay Wlaschin, activities; Judy Porter and Marilyn Yellis, clubs; Jim Hopkins, Ron Carmel, and Chuck Munyon, boys' sports.

As you, the student body, review the 1958 Colonist, we hope our efforts have been a success, and you will recall your many happy experiences during this past year. Our many thanks go to you who actually made possible an annual this year by first doing the things that we have recorded here.
